

# WHY CHOOSE CONQUEST 100?

**CONQUEST 100** ground penetrating radar allows you to collect rapid, reliable results on the spot, in minutes and reduces the need for destructive testing.

**Light, portable device**  
that provides a fast, non-invasive method to gain accurate insights of objects below the surface, even on a curved surface or column.

**On-site Reports**  
Produce instant reports from your unit. Including screen captures and line / grid / coring / depth information.

**Power Cable Detector (PCD)**  
Ensures safety by locating current-carrying cables in the area.

**High Resolution touchscreen**  
Allows you to see targets clearly. Multi-language Menus.

**Screen capture function**  
Able to connect to a mobile device and email to transfer reports wirelessly via smart phone.

**Accessories**

- Long resizeable handle,
- Carrying harness,
- Extra battery pack,
- Desktop charger,
- Additional sensor head.

**Line Scan**  
Line Scan reconnaissance surveys provide a real-time assessment of targets embedded in concrete. Pinpoint targets with the backup arrow.

**Grid Scan**  
Grid Scan detailed mapping generates on-site 3D images to better visualise embedded objects. Multiple grid sizes available.
